POST GRADUATE DIPLOMA IN EDUCATION (PGDE)

The Program is meant to provide a career path for those holders of at least a first degree or its equivalent who wish to teach in Secondary schools or Tertiary institutions but lack professional training in education. This was also in tandem with the RWANDA Government and the Ministry of Education policy aimed at training and retraining teachers through pre-service and in-service programs. The program offers an avenue for enhancing teacher effectiveness and professionalism and hence quality in education at Secondary and other levels.

RWANDA, Africa and the rest of the world continue to search for educational reforms as evidenced from the recent and current reforms, scientific innovations, social trends and other initiatives that impact on the curricula, the learner, the teacher and other stake holders. The teacher should be adequately prepared to cope with the dynamics and needs of society.

It is offered both as full time day, evening, weekend and holiday program.

Admission Requirements:

- ✓ Degree Certificate in Education having at least Second Class lower Division,
- ✓ -2Year Work experience in Ed. Sector
- ✓ Copy of National ID or Passport
- ✓ -2 Current Photos
