# MESSAGE FROM THE CHANCELLOR

Dear Graduands of the Class of 2023,

It is with immense pride that I address you, our graduating class of 2023. Each graduation ceremony reflects our University's mission to advance and disseminate knowledge in service to society. Today, we honor your remarkable achievements, marking a significant milestone in your academic and personal journeys.

Our University is renowned for its commitment to academic excellence, research, innovation, and holistic student development. As graduates, you embody these values and are now prepared to contribute meaningfully to your communities and professions.

Our success is guided by the UoK Board of Promoters, the Governing Body, and the Executive Organ. Esteemed leaders, including the Academic Senate, the Senior Management Committee, our dedicated staff, and exceptional faculty, have ensured the quality and rigor of your education.

As we celebrate this momentous occasion, we recognize graduates from the Graduate School, the School of Education, the School of Law, the School of Computing and Information Technology, and the School of Business Management and Economics. Each of you has met high academic standards and is well-prepared for future endeavors.

The Rwanda National Anthem and the University of Kigali Anthem symbolize our collective pride and unity. Looking ahead, the Strategic Pillars 2024-2028 outline our vision for the future, ensuring that UoK remains at the forefront of educational excellence. Stay connected with your alma mater and carry the spirit of UoK with you in all your endeavors.

We congratulate the University of Kigali for this new achievement and hope that, through its graduands, it leaves a deep furrow in Rwanda and the rest of the world

With warmest regards,

Dr. Carlos Fernando Sotz  
Chancellor, University of Kigali

# ABOUT UNIVERSITY OF KIGALI

University of Kigali, one of the leading private higher institutions of learning in Rwanda, commenced operations in October 2013 after receiving a definitive license to operate as a Private University. It is a fully accredited and chartered University by the Government of the Republic of Rwanda. The University of Kigali has two campuses: the main campus, located at Prester House in Kacyiru, Gasabo District, near Kigali Heights, approximately 3 kilometres from Kigali City Centre, and another in Musanze District, Northern Province, housed in the Prestigious RSSB Building.

The University began operations with only 35 students in October 2013 and has experienced remarkable growth in enrollment, surpassing 7000 students as of December 2023, representing over 33 countries across Africa, Asia, and Europe. This diversity reflects our commitment to internationalisation and world-class excellence. The growth is attributed to various factors, including a clear University vision, a well-articulated strategic plan, strategic partnerships, quality and market-driven programmes, and experienced faculty and staff members sourced regionally and globally. UoK has so far channeled to the market 8,037 (Undergraduates 4,794: Masters 1,299 & PGDE 1,944) graduates.

The uniqueness and added value of UoK lie in its status as a secular, locally founded, and supported University. It was founded by a team of promoters who conceived the noble idea of establishing a first-class Private University in Rwanda, offering market-driven, industry-relevant academic and professional programmes that meet the dynamic market demand, global competitiveness, and personal development goals. The promoters bring diverse skills, qualifications, and experiences, ranging from finance and accounting to monetary economics, urban planning, and extensive experiences in international corporations, development finance, government, policymaking, business, and investments.

The University is managed by highly skilled professionals in both academic and non-academic departments. In terms of faculty composition, the University surpasses the recommended academic qualification requirements set by the Higher Education Council, with 35.7% PhD holders. The institution maintains a 60:40 ratio of academic to non-academic staff, emphasising academics as the core focus of UoK.

The University enjoys partnerships with reputable Universities and Institutions across Kenya, Ghana, India, South Africa, Cyprus, Germany, Italy, Canada, the UK, Poland, among others. Additionally, it facilitates several student exchange programmes with Universities globally, providing students with international exposure, enhancing employability skills, experiencing diverse studying methods, and building international networks.

Since its inception, the University has been committed to nurturing students to meet the dynamic needs of the labour market locally, regionally, and globally. UoK contributes to national development by producing skilled manpower across various fields and industries, thereby significantly contributing to the national economy. It offers a wide range of undergraduate, graduate, and professional programs through its six schools: School of Business Management and Economics, School of Computing and Information Technology, School of Education, School of Law, School of Professional and Executive Programs, and Graduate School.

UoK also operates three centres: The Centre for Economic Governance and Leadership (CEGL) offering a variety of short courses including leadership, public relations, corporate governance, human resource management, project management, ICDL, and Data Analytics; Centre of Inclusive Education which caters for the students with special needs, and Centre of Modern Languages.

It follows a trimester academic calendar that is co-educational and devoid of religious or socio-cultural preferences. Our curriculum utilizes innovative learning and teaching methods, delivered by a blend of academic and professionally qualified staff with expertise in their respective areas of specialisation.

# THE STRATEGIC PILLARS 2024 - 2028

The University of Kigali is anchored on five (5) Key Strategic Pillars. These pillars outline the requisite strategic goals, objectives, and initiatives to help the University achieve its full potential in serving Rwandan citizens, the region, and the world. They are:

**1. Academic Excellence:** This pillar outlines strategies to enhance curriculum relevance and teaching methodologies, faculty development initiatives, and student recruitment plans; ensuring the University produces reputable graduates engaged in meaningful service and high-ranking leadership positions in businesses and the wider society.

**2. Research and Innovation Excellence:** Detailing the establishment of interdisciplinary research centres and plans for fostering collaboration with industry and government. This results in research outputs that contribute to the knowledge economy, create solutions to real-life problems, involve actual practitioners, translate research into innovation, inform policies, and improve the well-being of people, businesses, and society.

**3. Community Engagement Excellence:** Undertaking outreach programs and partnerships to address community needs and integrating service-learning initiatives into the curriculum to develop transformative social impact.

**4. Green University Initiatives Excellence:** By implementing eco-friendly practices in construction, retrofitting, and the maintenance of infrastructure and buildings, and integrating sustainability initiatives into academic offerings and campus operation, UoK aims to become the leading Green University in Africa, committed to environmental stewardship, social responsibility, and sustainable development.

**5. Organisational Excellence:** Focusing on operational efficiency, workforce development, financial sustainability, accountability, risk management, and adaptive ICT strategies, UoK aims to become known for reputable partnerships, international accreditations, and sustainability.

## VISION, MISSION & MOTTO

### VISION

To be a pole of radiance and excellence nationally and internationally with quality education, research, and provision of innovative services to the community.

### MISSION

To provide quality higher education programmes to match the labour market and development needs of Rwanda, the region, and the world.

### MOTTO

Labour for the future

## **THE CHANCELLOR CONSTITUTES THE CONGREGATION OF THE 8<sup>TH</sup> UOK GRADUATION**

By the virtue of the powers conferred upon me by the University of Kigali,

By the law N° 010/2021 of 16/02/2021 determining the organisation of education in Rwanda and by my authority and that of the entire University, I confer on you the degree thereby named, and give you power to read and to do all that appertains to the said degree. You can now turn your tassels from right to left. Congratulations! Please be seated.

# SCHOOL OF EDUCATION

---

The School of Education at University of Kigali is one of the five schools in the university. It admitted its first set of students in 2020/2021 for the Bachelor's degree, while the Postgraduate Diploma has started since 2016. The school is a vibrant and dynamic community comprising faculty and student body from several nationalities dedicated to the preparation of exceptional educators, researchers, managers and leaders. The school is committed to the highest standards of academic excellence and innovation, and our programs equip graduates with the knowledge, skills, and dispositions necessary to thrive in diverse educational settings and to make a positive impact on the world. A pay-off for the unique scholarship of the school is the production of graduates who have won national awards and undergraduate students who have secured employment in relevant agencies due to their outstanding performance during the mandatory school practice exercises/internship.

Our faculty are distinguished scholars and practitioners who are deeply interested in the success of our students. Through rigorous coursework, hands-on learning experiences, and cutting-edge research opportunities, our products are prepared to address the complex challenges of today's educational landscape. The School of Education emphasises a holistic approach to teaching and learning, fostering critical thinking, creativity, and a deep understanding of the cultural and social contexts that influence education. As we celebrate our graduates, we take pride in their achievements and the transformative impact they will have on the field of education. The School of Education remains dedicated to advancing the mission of University of Kigali by preparing educators who are committed to lifelong learning, leadership, and service. Our graduates leave us not only as skilled professionals but as advocates for social justice and change, ready to shape the future of education.

# SCHOOL OF LAW

---

The School of Law University of Kigali, combines genuine excellence and wonderful diversity. The unique strength of our community is that it brings together outstanding academics and practitioners as well as a student body with different backgrounds, lived experiences, interests, ambitions, approaches, methodologies, and perspectives. We don't look alike; we don't think alike; we don't come from the same place. Whoever you are, whatever you do, the school of Law is a place where you can thrive.

The best lawyers, the best teachers, the best public servants, the best entrepreneurs, the best leaders are those who take opposing arguments seriously, who listen generously, and who approach others with empathy and respect. Our differences and our diversity are a source of strength that we cherish. It makes this an exciting and productive community in which to study, to teach, to write, to debate, to explore, to question, to innovate, to litigate, to advocate, and to pursue the highest ideals of law and justice.

As the School of Law University of Kigali, celebrates the 8th graduation, we consider the footprint the School has left in the bar association, public service, private sector, business, academia, the arts and other sectors. It is fun and exciting to celebrate the 8th graduation while thinking hard and considering the future.

By the law N° 010/2021 of 16/02/2021 determining the organisation of education in Rwanda and by my authority and that of the entire University, I confer on you the degree thereby named, and give you power to read and to do all that appertains to the said degree. You can now turn your tassels from right to left. Congratulations! Please be seated.

# SCHOOL OF BUSINESS MANAGEMENT AND ECONOMICS

---

The School of Business Management and Economics (SBME) is the largest school at the University of Kigali, known for its excellence and diversity. What sets our School apart is its integration of outstanding academics and practitioners in fields such as Business, Economics, Marketing and adjacent areas of specialisation including Accounting, Finance, Procurement, Public Administration, and Local Governance.

Our community is composed of students from different nations, with diverse experiences, interests, ambitions, and perspectives, making them highly competitive both nationally and internationally. This diversity reinforces our commitment to quality research and teaching excellence.

Our teaching and research portfolio is dynamic, promoting collaborative and multidisciplinary research across the University. The School's innovative curriculum ensures our degrees remain relevant and aligned with market needs. Our graduates are well-prepared and highly skilled, ready to compete in the international marketplace. We pride ourselves on having highly qualified and competent staff from both regional and international backgrounds who are dedicated to teaching and nurturing our students to live up to our motto, "Labour for the future," as we strive to shape the destiny of our students.

SBME is a proud member of the prestigious Association of African Business Schools (AABS), making it the second business school in Rwanda to be admitted into the membership of the body.
