**FOR IMMEDIATE RELEASE**

### **Clarification on Circulating Letter Regarding Graduation Clearance**

The University of Kigali (UoK) is aware of a letter currently circulating online concerning the clearance of prospective graduands by the Higher Education Council (HEC).

We wish to clarify that the process of evaluating graduand files is still **ongoing** between UoK and HEC, and UoK Management is actively working with HEC to resolve any identified issues, as is the standard practice.

We assure our students and stakeholders that UoK Management will inform all concerned parties once the **graduation date** is confirmed.

We urge all graduands to remain patient as this important process continues. Kindly disregard any information which does not originate from official UoK channels.
